PUBLIC NOTICE

RE: REMOVAL OF NIGERIAN NATIONALS FROM THE REFERRED VISA CATEGORY

The Immigration Department informs the public that citizens of the Federal Republic of Nigeria have been officially removed from the Referred Visa Category, following published amendments in the Government Gazette number 246 of 2026.

With immediate effect, Nigerian nationals traveling to the United Republic of Tanzania are no longer subject to referred visa restrictions and will follow standard visa application procedures through the official immigration online portal or designated entry points.
